

What's on at The ClementJames Centre? August 2020

Current Centre Closure

Although the doors of The ClementJames Centre are closed, we are open online and over the phone for learning and support where possible. We are constantly monitoring this situation. Please keep an eye out online for further updates.

September Courses!

Our Adult Learning graduation took place in July - massive congratulations to all the learners who have achieved so much this year despite difficult circumstances.

We are now enrolling for classes this September in Maths, English and ICT. If you're thinking of learning or improving these skills, please get in touch. Email adultlearning@clementjames.org, call 020 7221 8810 or register on our website (www.clementjames.org).

Assessments will be via telephone or Zoom video chat!

Centre Reopening

The ClementJames Centre will be gradually reopening from the start of September. We will have a mix of online and in-person services at a reduced capacity while following social distancing guidelines to keep our clients, students, staff, and volunteers safe. Look out for further updates online.
