

What's on at The ClementJames Centre?

✿ April 2021 ✿

Centre Update

From 19th April, The ClementJames Centre will be reopening some children's programmes on site. Most of our appointments and adult classes will remain online for the time being. Further updates about reopening will be posted in the coming weeks and months.

Employment Taster

Looking for work and unsure where to start? On **13th April at 10 - 11:30 am**, we're holding a taster session for our Employment Support appointments focusing on how to find jobs and how to frame employment gaps. To sign up, email employment@clementjames.org

Wellbeing Insights Day

On 27th April, ClementJames will be hosting an online Wellbeing Insights Day in partnership with other local organisations. This will be a fantastic chance to learn about how to look after your own wellbeing and find out more about what's on offer in the local area.

By attending two of the workshops across the day, you will be entered into a raffle to win a £30 Amazon voucher! Complete the registration form below to sign up.

Adult Learning

We're offering more courses in Maths, English, and ICT from 19th April including a new higher level maths class and English classes at every level.
