This Is Me: Connection

This Is Me is ClementJames' annual themed exhibition.

We're welcoming submissions from near and far - paintings, photos, recipes, poetry and more which will be displayed on our website. This year the theme is **Connection**. What does 'Connection' mean to you?

Find out how to submit and download the inspiration booklet on our website:

Submission deadline: 21st May

Adult Learning

The new term has started but there are still a few spaces left for classes (online and in centre) in Maths, English and ICT. Gain qualifications and improve your digital, literacy and numeracy skills in a welcoming space.

Email adultlearning@clementjames.org or call 07857969806 to sign up.

EU Settlement Scheme

The deadline for the EU Settlement Scheme is 30th June 2021. Many who should apply do not know they need to. Go to <https://www.gov.uk/settled-status-eu-citizens-families> to find out if this applies to you. A link to this website will be provided at the bottom of this newsletter.
