

What's on at The ClementJames Centre?

August 2021

Gardening Group

The next gardening group will be on **Thursday 5th** from 11 am - 1 pm. Come down to ClementJames and learn how to cultivate a garden and take home some fresh herbs and vegetables. This is a family-friendly session. Everyone is welcome and there is no need to book!

Garden Get Together

The CJ Get Together has had a makeover for summer! Join us in the garden to meet and chat with other local people **every Tuesday between 3 - 4 pm** until 24th August. Everyone is welcome to come and we've got new games and topics every week. Drop by and find out more!

Community, Carnival and the Arts

Although we can't be at the Notting Hill Carnival this year, we're keeping the spirit alive at ClementJames with a series of creative workshops for students in years 3 - 7. Join in for workshops based around the arts, costume design, and the history of carnival. All workshops are free. Email youngpeople@clementjames.org to sign up. Dates:
Monday 9th - Friday 13th August 10:30 - 3 pm
Monday 23rd - Friday 27th August 10:30 - 3 pm

The Wellbeing Clinic

The last few dates for the Wellbeing Clinic are **Tuesday 3rd & Tuesday 10th August 2:30 - 5:30 pm** before temporary summer closure. Ear acupuncture is available for stress relief and relaxation but alternative treatments are also offered. Sessions cost £2.

Conversation Group & The Reader

From August, The Reader and Conversation Group will both be held at the centre. If you've missed these groups in person or haven't wanted to join on Zoom, now is the perfect time to join! More details can be found at the bottom of the newsletter.

Lymley Wood Trip

School's out and we're taking a trip! If your child is looking for an outdoor adventure including hiking, low ropes, den building and more, our summer trip to Lymley Wood could be the perfect escape! We're off for a one-night stay where young people will learn lots of new skills and experience the outdoors first-hand! **25th - 26th August.** Email thomas@clementjames.org to sign up and find out more.

Adult Learning Enrolment

We're enrolling for classes in English, Maths, and ICT. Gain qualifications and improve your confidence and skills with our tutors. We've got brand-new classes for the next academic year, including Introduction to Hospitality, Essential Digital Skills, and more! Find the dates on the centre timetable on our website and email adultlearning@clementjames.org to sign up.
